Routes into Teaching

While there are a number of routes (university based and school based) leading to qualification as a Post-Primary teacher in the UK, to be eligible to register with the Irish Teaching Council, the route you choose must provide both an academic qualification, e.g. Postgraduate/Professional Certificate in Education PGCE (England/Wales) / the Postgraduate Diploma in Education (Scotland) AND Qualified Teacher Status (QTS).

For routes into teaching see <http://www.education.gov.uk/get-into-teaching> and <http://teachinscotland.scot/>

Returning to Ireland

Qualifications gained outside Ireland must be assessed by the Irish Teaching Council. There may be shortfalls in the comparison of qualifications obtained in the UK versus Irish teacher education qualifications. For further details see [Teaching Council Registration with conditions](#) or email info@teachingcouncil.ie
